

REFERENCES AND BIBLIOGRAPHY

About 720 references are cited in the Catalogue and Appendix, and a further 140 publications (mainly containing alien plant records) are included here. As can be seen from Catalogue entries, some published records were re-evaluated, and, where there are voucher specimens, others have been confirmed or amended.

The following abbreviations are used:

BSBI News = Newsletter of the Botanical Society of the British Isles.

Bull. Ir. biogeog. Soc. = *Bulletin of The Irish Biogeographical Society*.
