

## Index Seminum listing for 2014

### SEED FROM GLENVEAGH for 2014

Seed collected in 2013 from plants in a state-owned garden situated in county Donegal (Glenveagh).

Haec semina anno 2013 collecta sunt de plantis in horto publico in Dunagallensi (Glenveagh) comitatibus collocatis.

Part of Glenveagh National Park, the garden is situated on Lough Veagh (L. Beagh) in the centre of northwest Donegal 55° 2' N, 7° 38' W. The garden is surrounded by hills but is at 60 m altitude. The mean January temperature (1991-1993) is 2.4 °C, and the mean July temperature is 16.8°C. Annual rainfall is approx. 1600 mm.

Numbers in left-hand column are seed list numbers and should be used to request seed.

Please download an order request form from our website.

**N.B.** Only gardens that are part of the seed exchange programme with the National Botanic Gardens will have their requests honoured.
