

Wild Irish native seed for 2015

NATIVE OR NATURALIZED IRISH PLANTS

Seed collected in 2014 from plants growing in wild localities throughout Ireland, and offered by the National Botanic Gardens.

Numbers in left-hand column are seed list numbers and should be used to request seed.

Please download an order request form from our website.

N.B. Only gardens that are part of the seed exchange programme with the National Botanic Gardens will have their requests honoured.
