

## Wild Irish native seed for 2015

### NATIVE OR NATURALIZED IRISH PLANTS

Seed collected in 2014 from plants growing in wild localities throughout Ireland, and offered by the National Botanic Gardens.

Numbers in left-hand column are seed list numbers and should be used to request seed.

Please download an order request form from our website.

**N.B.** Only gardens that are part of the seed exchange programme with the National Botanic Gardens will have their requests honoured.
